Dear University Leaders and Sustainability Officers,

Greetings from UI GreenMetric!

We would like to thank you for your enthusiasm and attendance at the virtual 2020 UI GreenMetric World University Rankings Results and Awards on 7 December 2020 6.00 PM – 8 PM (Jakarta time). In case you missed this event, please visit <http://Ui.id/greenmetric2020>. Attached is the file of a press release for this event.

The ranking results can be found in <http://greenmetric.ui.ac.id/overall-rankings-2020/>

We have broadcasted the information in some international and regional newspapers and social media such as Instagram, Twitter and Facebook, on 7 December 2020. We are proud to send you the file of your certificate and fact file in the attachment of this email.

We highly appreciate 696 universities that have provided evidence for each question in our questionnaire and helped us to review the information provided amid the pandemic. The evidence are now more detailed such as in calculating smart buildings in your university. We congratulate all universities that have successfully demonstrated improvement in their university strategic measures to achieve SDGs in all aspects of their university activities. We really admire some strategic moves that have been made to create the most sustainable world campuses.

Finally, we thank you for your great enthusiasm to participate in UI GreenMetric World University Rankings 2020. We wish you all the best in your efforts to manage a world-class sustainable campus.

Yours sincerely,
