Wednesday,
22th April, 2026

2:00 PM

MiTE,
Conference Room

Organized by Quality Enhancement Cell, MiTE

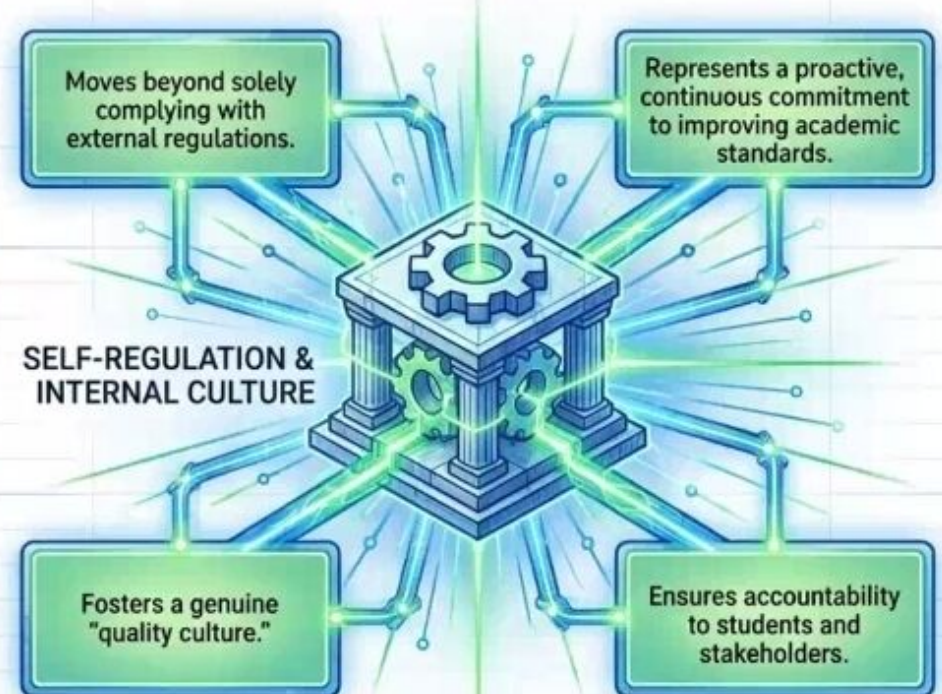

INTERNAL QUALITY ASSURANCE (IQA): The Institutional Blueprint for Excellence

Internal Quality Assurance (IQA) refers to the self-regulated policies, processes, and mechanisms that higher education institutions establish to monitor, evaluate, maintain, and enhance the quality of their education, research, and support services.

THE OLD VIEW

THE IQA BLUEPRINT

Practical Steps towards Quality Assurance

- **Academic Calendar**; Orientation Sessions
- **Program and Institutional Review** through RIPE & PREE; External members involvement
- **Motivation**: Notification, Orientation & Trainings
- **Closing the Loop** for Compliance through IQC Meeting and Progress Monitoring
- **Graduate Program Review**-PREE based SAR & Revised Proforma; GPR Committee
- **CERs**: UMS (Add. Student Learning Outcomes and Campus Climate and Student Belonging survey); 80 % as above; Dissemination with compliance checklist; Action taken
- **Affiliated Colleges**: QEC-AC with dedicated Assistant; Involvement in all activities and membership in AC
- **Accreditation** is a challenge: beyond control of QEC
