

# Redefining Academia: Faculty-Driven Entrepreneurship for a Sustainable, Impact-Driven Future!

The Quality Enhancement Cell (QEC) conducted a thought-provoking training session on "Redefining Academia: Faculty-Driven Entrepreneurship for a Sustainable, Impact-Driven Future" on 24th July 2025, led by Mr. Farhan Hussain, Assistant Manager, Business Incubation Centre, SZABIST University. The session highlighted the critical role of faculty in driving innovation and sustainability in academia, aligning with SDG 4 Quality Education, SDG 8 Decent Work and Economic Growth, SDG 9 Industry, Innovation, and Infrastructure, and SDG 17 Partnerships for the Goals.
