Profile:

Dr. Syed Salahuddin is serving the education sector for more than three decades, during which he taught various subjects of management sciences up to the postgraduate level.

He holds a Doctorate in Management Science, with a Master's Degree in philosophy, Master's degree in Economics, Bachelor's Degree in Law and a Bachelor's Degree in Science to his credit.

In a university exchange program, he visited the USA and received an international training course in teacher training, career cancellation, and research from Ball State University, Indiana, USA. He has expertise in Human Resource Management, Training and Development, Teacher Training, Economics and Green Management. He conducts research in Management, HRM, HRD, and T&D.

He is a distinguished member of the Business Administration Department. He has an eminent career in both research and academic fields. He has contributed significantly in research and has eight publications in reputed journals. During his extensive teaching career, he has mentored numerous students and contributed to the development of academia. His teaching skills, dedication, and commitment to excellence have greatly benefited the students and the institution. Throughout his career, Dr. Salahuddin has demonstrated exceptional teaching skills and deep expertise in his subjects. His vast knowledge and ability to explain complex concepts in a simple way have earned him great respect from both students and colleagues.

Apart from academics, he is also an excellent painter, calligrapher, porter, and musician. He was also the editor-in-chief of his college magazine twice.
